Presentation

Title: ATSA Conference and Other Trainings - Recap of 2023

Overview: Every fall after the annual ATSA conference, WATSA does a recap of what people learned at the national conference, as well as other trainings people have attended during the past year. We encourage people to come to the meeting with information from trainings they have attended and share what you have learned with all of us.

Facilitator: Dr. Michael O'Connell

(WATSA members receive 1.5 hours of continuing education credits for attending today's presentation; please retain a copy of these minutes as a record/proof of your attendance/CEUs).
