Presentation

Topic: Telemedicine experiences, coping with changes in how we practice, and professional wills

- Challenges / lessons learned running telehealth groups other experiences as an SOTP doing therapy and assessment
- Clinicians support group - and some of the issues that come up such as building rapport with face masks, balancing one's own anxiety with supporting clients, lack of control etc.
- Brief didactic on professional wills and our ethical responsibly to prepare for unintended disruptions in the provision of services

Presenters: Holly Coryell, Megan Reese, & Lisa Trifiletti
