Personal and Political Dilemmas Working with Online Child Sexual Exploitation

Presenter: Bob Shilling

Location: Steilacoom Town Hall

The Washington Association for the Treatment of Sexual Abusers (WATSA) presents a talk by Bob Shilling. Bob is a 36.5 year veteran of the Seattle Police Department where he led the Sex and Kidnapping Offender Detail for 21 years. He served on the Board of Directors of The Association for the Treatment of Sexual Abusers (ATSA) for 5 years, and he is an ATSA Fellow. He is the also the recipient of the ATSA Distinguished Achievement award. Bob spent the last three years of his career as the Head of Crimes against Children for INTERPOL in Lyon, France. Under Bob's leadership, his team and network of investigators physically rescued 5,420 victims of sexual abuse through victim identification techniques on child abuse images circulated on the Internet and Darknet. That was more victims rescued in three years than the previous nine years combined. Bob is a 2017 recipient of the ATSA Significant Contribution Award. He is now retired.

(WATSA members receive 1.5 hours of continuing education credits for attending today's presentation; please retain a copy of these minutes as a record/proof of your attendance/CEUs).
